SUMMARY

Full Stack Developer with 3 years of experience building fast, scalable web applications using **React.js** and **Next.js**. Strong in SSR, performance optimization, and UI architecture, consistently achieving **90+ Lighthouse** scores and improving load times by up to 40%. Currently **expanding backend capabilities with Node.js** and **Express**.

EXPERIENCE

KClub Technologies

Nov 2024 – Present

Software Developer

Mumbai, IN

- Optimized **component rendering** by improving **state management** and reducing **re-renders**, enhancing **UI responsiveness** .
- Built **reusable components and dashboards** with a **modular architecture** to support scalable development .
- Improved **initial load performance** by reducing **main bundle size** and deferring non-critical components
- Integrated **APIs** and handled **data flow** across the application, with basic backend support using **Node.js** and **Express**
- Used **AI tools** (ChatGPT, Claude, GitHub Copilot) to speed up debugging and development

Frontend Consultant (Contract)

May 2024 – Aug 2024

PivotRoots

Mumbai, IN

- Improved **SEO, performance, and accessibility** through code splitting and lazy loading
- Delivered **UI/UX improvements, bug fixes, and feature updates** through direct client collaboration in **live sessions**
- Drove **debugging, performance analysis, and release readiness** using React DevTools, Lighthouse, and bundle analysis

Software Developer - I

Aug 2022 – Feb 2024

ImpactGuru - No.1 Crowdfunding Platform

Mumbai, IN

- Built **end-to-end features** for campaign and donation flows using React Router, Context API, and controlled forms .
- Optimized **performance and rendering** using memoization (useMemo, useCallback, React.memo) and accessibility improvements
- Ensured **cross-browser compatibility and responsive design**, resolving issues across devices with polyfills and modern CSS
- Collaborated with **design and backend teams** to deliver scalable features integrated with REST APIs

TECHNICAL SKILLS

FrontEnd: JavaScript (ES6+), React.js, Next.js, HTML5, CSS3, SCSS, Tailwind CSS, Material UI, Bootstrap

Backend (Learning) : Node.js, Express.js

Tools: Git, GitHub, JIRA, MoEngage, Google Analytics, Lighthouse, VS Code

EDUCATION

University of Mumbai

Mumbai, IN

Bachelor of Science in Computer Technology

2016 – 2019

CERTIFICATION

Namaste React

NamasteDev - Akshay Saini
